Supervisor Desmond Visits Border in Light of Title 42 Expiring

SAN DIEGO- County Supervisor Desmond will be available to the media for a statement and questions while visiting the border in light of Title 42 expiring. Supervisor Desmond will discuss the importance of having the right approach to U.S. borders to ensure that those entering the United States do so orderly and humanely.

“Seeing the recent images of thousands of people making their way through Central America and Mexico is alarming, and I'm concerned the Federal Government is ill-prepared and has not put the resources in place to adequately protect San Diegans and the asylum-seeking migrants.”- Supervisor Desmond
